RA NETER NU

BOARD MEMBER

Ra Neter Nu is a dedicated health advocate, certified health trainer, and lifelong learner whose career reflects resilience, adaptability, and a commitment to helping others live healthier lives. With decades of hands-on experience across multiple industries, he has developed a strong appreciation for hard work, personal growth, and community service.

Throughout his career, Ra has gained extensive experience in construction, manufacturing, transportation, logistics, and customer service, earning a reputation as a dependable professional capable of excelling in a wide variety of roles. His broad skill set reflects both his determination and his passion for continuous learning.

For more than three decades, Ra has embraced a plant-based lifestyle and has become a strong advocate for nutrition, wellness, and preventive health. His personal experiences have deepened his understanding of the vital role clean, high-quality water plays in supporting overall well-being and healthy communities.

As a Board Member of Oasis N.O.W., Ra brings valuable insight into health education, wellness advocacy, and community engagement. He is committed to supporting the organization's mission of delivering clean water and essential resources to communities in need while helping raise awareness about healthy living and sustainable solutions.
